October 12, 2021

PRESENT: Select Board: Don Preuss, Paul Woodruff Jr., Fran Gilman

Also: Sherry Newton

1. Meeting was called to order by Chairman Don Preuss at 7:00 P.M.
2. Minutes were read and approved.
3. Bills were studied and discussed and orders were signed.
4. The dry hydrant on Snow Brook Lane was discussed.
5. The Select Board will fill out a credit application for United Ag & Turf in Rutland. This will make it more convenient to get John Deere parts nearby.
6. The Select Board discussed purchasing a leaf blower that would attach to the John Deere tractor. This would help with keeping the leaves out of the ditches and keeping the culverts clear.
7. The Select Board is sending a letter to the Lake Champlain Basin Program expressing their support for the project development grant application in the Lake St. Catherine Watershed.
8. The Town Report is being worked on and is moving forward.
9. The Pavilion grounds have been seeded and mulched. The side walk was discussed. The Select Board would like to see the Delaney Committee make a decision on what material they would like the side walk to be constructed out of before the weather changes. With the weather getting cooler it was suggested if a decision was not made very soon perhaps the side walk project should wait until spring.
10. The Select Board discussed reducing the speed limit in the village near the school and also on West Lake Road.
11. The Town Office roof and the library roof are missing a few pieces of slate. Don is going to ask Jeff Kelly to take a look at them.
