**PUBLIC NOTICE - DRAFT UIC PERMIT 6-0091**

A draft Underground Injection Control (UIC) permit has been prepared for the discharge of stormwater from a sand and gravel extraction pit known as the West Quarry located off East Wells Road in Wells, Vermont, under the provisions of the Underground Injection Control Rule, Chapter 11 of the Environmental Protection Regulations of the Department of Environmental Conservation. The permit applicant is **Stanley Martelle, Jr., 85 Gem Oak Road, Wells, VT.** **This is a permit renewal.**

A public comment period for the draft UIC permit begins on **August 11, 2014 and ends on September 9, 2014.** Comments must be made in writing and received by **4:30 p.m. on September 9, 2014.** Written comments should be submitted to UIC Program, 1 National Life Drive, Main 2, Montpelier, VT 05620-3521. Comments may be submitted via email to [ANR.DWGWPDraftPermitComments@state.vt.us](mailto:ANR.DWGWPDraftPermitComments@state.vt.us). All comments will be considered in making the final decision on this application. A Response Summary will be prepared for all comments received and everyone who submits comments will receive a copy of the Response Summary if they provide their mailing address and/or e-mail address. Responses to submitted comments will be available to the public, by request, when the final determination on the application is made. A public hearing may be requested, in writing, during the public comment period. The person or persons requesting the public hearing shall state the nature of the issues to be raised in the hearing. The draft permit may be viewed on the website:

<http://www.anr.state.vt.us/dec/dwgwp/noticesdraftuicid.htm>. The complete application, proposed permit, and other information are on file and may be inspected weekdays from 8:00 a.m. to 4:00 p.m., by calling (802) 585 - 4911. Copies will be made at a cost based upon the current Secretary of State, Official Fee Schedule for Copying Public Records.

At the conclusion of the public notice period and after consideration of additional information received during the public notice period, the Drinking Water & Groundwater Protection Division will make a final determination. Pursuant to 10 V.S.A. Chapter 220, any appeal of this decision must be filed with the clerk of the Environmental Court within 30 days of the date of the decision.
