- Fran confirms that the ARPA money is in the Delaney fund, so have funds for this year – we do need to make sure we cover maintenance for the porta potty
- **Grace is working on the plan for VLT**, will send to Fran when ready for review. Things we should look at for the future are:
 - o A walking path through the meadow – for now, **Fran suggests mowing a path and seeing how that goes before we look at more permanent options, he will bring it up at the select board meeting.** Doing anything more permanent would include being aware of its proximity to the lake and might include permits.
 - o Milkhouse – while we can consider options for preserving it, **the trees should be cut now before they damage the structure**
 - o Old foundation – nothing has been proposed for this as of now
 - o Delaney woods – we would like to work with SVT to get a kiosk up, **Grace will check with Bill Alexander about getting a trail map up on the Wells website**
- 7:45 meeting is adjourned
