

**The Delaney Planning Committee**  
**Minutes of Meeting**  
**May 10, 2021**

Members in attendance:

Tim Makepeace, Cathy Walker, Grace Larson, Fran Gilman

Also Don Preuss, Paul Woodruff

Meeting Called to order at 7:02PM. Meeting moved to Delaney Lakeside Park

Discussion of Lakeside Park Pavilion:

- There has been some discussion of modifying the plans for the pavilion. Cathy motions that we do not modify the plans, specifically the cathedral ceiling, the arched braces, beadboard for the ceiling, and the cedar shakes. There should be enough money in the fund for these. Grace seconds and all agree.
- The Delaney Committee would very much like the Select Board to run the ad for bid again, with the plans as drawn.
- Don will check with the road crew about what to do with the excavated earth from the foundation.

Discussion of Delaney Woods:

- We need to be in touch with SVT about trail maintenance and signage.
- Plan needs to reaffirm that the woods are at capacity with existing trails.

Signs are still in the works, hopefully Bill Hicks would do the engraving for slate entrance sign.

The April minutes were reviewed. Cathy made a motion to approve, Fran seconded, they passed unanimously.

8:03 – Grace motions to end the meeting, Tim seconds, all approve.
