Meeting Called to order at 6:57 pm

- Fran motions to approve minutes from October meeting, Frank seconds, all approve
- Fran reports that Don is working on getting signs for the park.
  - o We still need to figure out exact wording/size for the rules sign and the sign directing inquiries to the town website
  - o Should we add that the lakeside park is open Dawn to Dusk to the rules sign? If so, we need to check with VLT to see if they approve
- Treasury report: Fran reports that nothing has changed, the only upcoming expenditure will be for the signs. In the spring we will revisit the idea of adding stone fascia to the pavilion pillars.
  - o We will also look at putting a bench at the viewing point in meadow along walking trail, as well as signs for it.
- Fran brings up adding a “Safety Zone” to the lakeside pavilion area – the O’Briens have added one to their border with the Delaney Woods, and we would like to ensure that hunting does not take place near the pavilion area. Grace motions to set up a Safety Zone, Frank seconds, all approve. Fran will check on the specifics of how to do this.
- Grace has sent a draft Management Plan to the Committee, who will review it and submit comments/suggestions before a final draft will be sent to the Vermont Land Trust.
- There is a brief discussion of the relationship with the Delaney Committee as a subcommittee of the Select Board and of the role the Vermont Land Trust plays in management of the property.
- 7:45 Fran motions to adjourn, Frank seconds, all agree.
