I have received the Safety Zone signs from Justin Turner (game Warden). Justin told me of the requirements for posting the signs.

The trees by the milk house were looked at by the town guys and it was determined that due to the condition of the trees and the proximity of the power lines they wouldn't cut them. Dave said he will contact the tree person that the town usually uses and get a price on it.

Rich had some typos on the Delaney plan and he will forward them to Grace for review.

Thomas Auto donated the materials for adding another leg and brackets for the dock at the park. A BIG THANKS to them for supporting the park!!!
