- Frank motions to approve minutes from April meeting, Rich seconds, all approve.
- Budget: Nothing new.
- Signs –
  - o Fran has spoken to Don Miller regarding 911 address for signs for Lake Park and Woods Park, as well as signs for the walking path, will report back with a quote.
  - o Fran has ordered the main signs, he and Rich will install them.
- It was reported that shots have been fired at the sign, and the porta potty has been tipped over and someone left a lot of trash.
  - o Nora is the contact with for the porta potty company, Fran will coordinate with her to see if they can do something to anchor it so this doesn't happen again.
  - o Paul points out that while it is not illegal to fire a weapon across a road (one needs to be 15 feet away from road), we have discussed designating "Safety Zones in the Delaney Woods, we should perhaps posting this at the Lakeside Park as well.
  - o How would we post it? Can we include this in the VLT rules?
  - o Paul suggests making the signs and using the Town's laminator.
  - o Fran will call the game warden for advice.
- Town Plan – Grace has sent a draft to the committee, and will send it to the Select Board as well.
- Rich reports that LSCCF insurance documentation has been sent to the Select Board, but should have come through the Committee first.
  - o There will be ice cream from Steward's and possibly a food truck for the event.
  - o LSCCF and others will be using an herbicide to combat milfoil in the 2<sup>nd</sup> week of June.
- New committee member – should we advertise in the Free Press? Paul recommends yes.
  - o It was on the town website, which is currently down, hopefully will be running again soon.
- Since the website is down, pavilion reservations can't be made online, Rich will keep track of reservations.
