

**Please join the Town of Wells on
Sunday, December 7, 2025
from 4:00pm - 6:00pm
for our annual Lights of Wells event at the Wells
Town Green.**

Help Santa to light the tree on the town green at 5pm, sing carols with us, drink hot cocoa, eat cookies in the Wells Village Library, visit St. Paul's Church for bluegrass music and sandwiches, and enjoy quiet reflection on the season and learn the history of the candy cane at the Methodist Church and take an enchanting holiday ride on a horse-drawn wagon through town. Please bake and bring some goodies to share. If you have some firewood that you can donate for the fire pits that we light at the event, please reach out.

The rain date for the event will be Sunday, December 14th, also from 4-6pm.
